

# DACAT WORLD

**BATTLE FOR DACAT WORLD!**

**2**

RUSSELL COREY

**How dare you come to my house and cast aspersions on me?**

**Yeah, aspersions!**

**This isn't your home! It's mine!**

**SHUT UP!**

**My father built this land.**

**What did you  
do to him?**

**We told you,  
we don't know  
anything about  
your pops.**

**This land  
has been  
abandoned  
for years.  
It's ours  
now, kid.**

**Dacat World is  
mine and I want  
you off it now!**

**We're not going  
anywhere, Dacat!**

**Then I'll fight you with  
everything I have, every  
second of every day!**

**You do that.**

**But if you ask me, I think you're gonna need a few more friends.**

**That's it. Walk away.**

**Gonna cry, Dacat? Come on, cry for me, kitty cat.**

**If he comes back, blow that sorry ship out of the sky!**

**You're the local arbiter,  
Soto. Throw them in jail.**

**My jail is  
reserved for  
the most  
dangerous  
criminals.**

**Not land squatters.**

**They are dangerous criminals.**

**When I returned to Dacat World, I was surprised to find a city.**

**But when I  
landed, it  
was empty.**

**The buildings  
were all fake.**

**It was  
being used  
to create  
scam cities.**

**Different name,  
same con to rip  
off investors.**

**I found the  
scammers living  
in my family's  
old house.**

**I told them to high-tail it out of there, but they refused.**

**Instead, their leader, Bogmire, attacked me.**

**I fought back as best I could,  
but they outnumbered me.**

**This is too small for the Dog Dynasty to handle, but I'll tell you what I'll do.**

**You hire some muscle to scare them off, and I'll look the other way. Just one thing...**

**No killing.**

**And I can even recommend someone for you. The best.**

**A squid squad is having its ship repaired.**

**Here for two weeks.**

**Soto was right to send you to us.**

**We can help you fight  
this reptilian scum.**

**But it won't be easy or cheap.**

But  
when  
you  
hire  
the  
best...

You get the best.

Are you  
ready to  
learn the  
way of  
the  
Squid?

Let's do it.

**Soto said no  
one can die.**

**Will these power  
rods kill them?**

**You tell me.**

**Distract them.**

**With words, hand gestures, anything.**

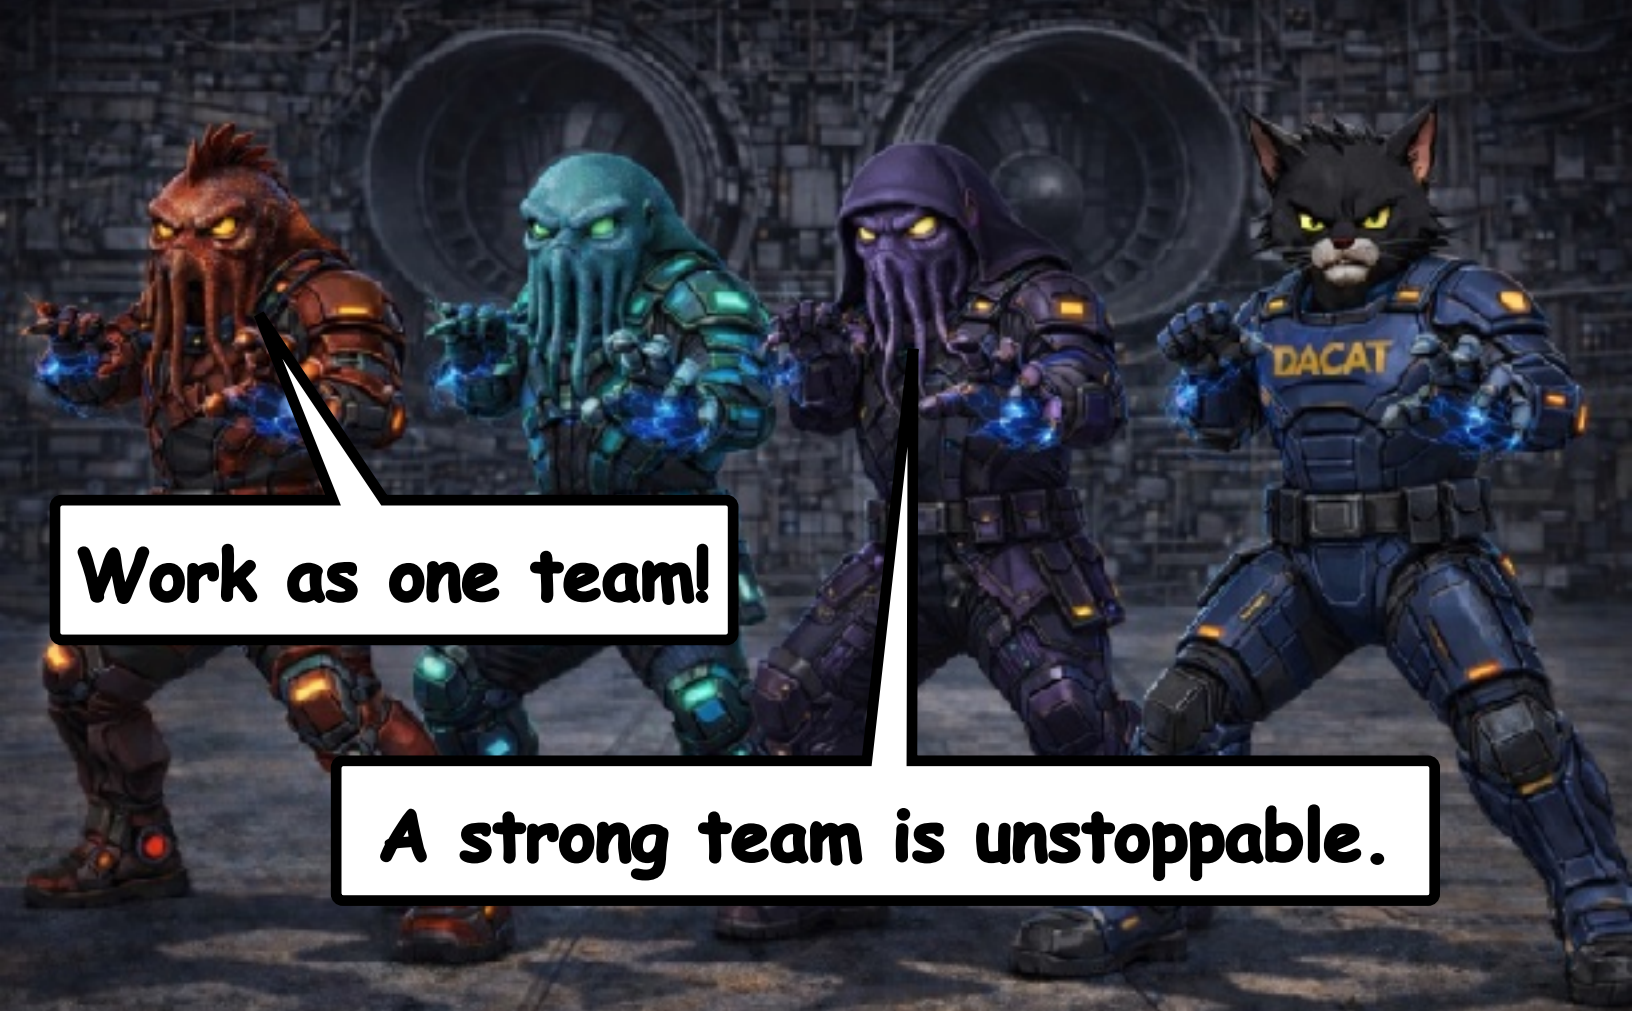

**Then strike!**

The squid whip. A most dangerous weapon.

Nice!

**Work as one team!**

**A strong team is unstoppable.**

**Good shot, Dacat!**

**I'm coming for  
you, Bogmire!**

**Well done, Dacat!**

**He's  
got it!**

Going somewhere?

Our ship is repaired.  
We're going home.

Our deal was for you to help me fight!

And we have helped.

**Dacat, we have given you the best training and weapons money can buy.**

**I can't fight them alone!**

**Easy. Don't make us call Arbiter Soto.**

**Call him!**

**He's too busy to care about this!**

**I see.**

**You were saying?**

**Keep him locked up until we are safely off the Cryptosphere.**

**The Squid Master will indeed be pleased with your cooperation.**

**You'll be free by tomorrow, Dacat.**

**Just don't make any more trouble tonight.**

You think you can talk to us like that and live?

I didn't say a word!

I just walked in here.

DACAT

**You just don't know when to shut up, do you? You're mine now!**

**Get him, Surge!  
Level up on that noggin!**

**Boot, baby, boot!**

**Break his other arm,  
then the legs!**

**I called the legs! No one  
ever listens to me... Ever!**

**Um, is this a jail or a loony bin?**

**Relax, Dacat. When Soto comes back, tell him you got the beating of your life.**

**Now, why would I do that?**

**Because we're all broke. Can't afford life on the Cryptosphere now. Fighting violation extends our stay another six months.**

**We've got nowhere else to go. But here? Free rent and three hot meals a day.**

**We just have to fix a few things for Soto. Plumbing, electrical, I handle IT.**

Help me kick off some squatters,  
and I'll give you land to live on.

Reptile scammers. They took what's  
mine. Together, we take it back!

You don't belong  
in a cage.

Come with me and make a stand.

**Together, we can  
build Dacat World!**

**Yeah, we build it  
up and then you  
dump it on us!**

**I won't  
dump on  
you.**

**Yeah, you will. That's how  
the Cryptosphere works!**

**Everyone sells, Dacat.**

**Just tell Soto we  
beat you down, okay?**

**I'm not lying for a bunch of cowards!**

**You wanna beat me up? Go for it!**

**Bad news, we all use our hands to work.**

**And now those hands  
are gonna work on you!**

**We don't wanna to hurt  
you, kid, so just stop.**

**And apologize!**

**No!**

**Get him, Ping!**

**Ziny, he's yours!**

**Admit you're a scammer!**

**A touching story!  
Here, take my money!**

**Dacat World isn't a  
scam. It was my  
father's dream.**

**I went broke  
listening to  
grifters like you!  
Never again!**

**I'm not a grifter!**

**Dacat World is...**

**He's  
fading.**

**Finally! Sheesh.**

**He dead?**

**God, I hope so.**

**We should be so lucky.**

**What's that racket going on?**

**What did they do to you, Dacat?**

**Nothing. I slipped on the floor.**

**Yeah, I slipped, too.**

**And I slipped helping them.**

**Told 'em the floor was wet, but no one ever listens to me.**

**My soap to water ratio must have been off when I was mopping.**

**I'll recalibrate for next time.**

**There won't be a next time. With no fighting violations, you all are free to go tomorrow.**

**I've got my eyes on you lot. And don't listen to this cat.**

**He's trouble.**

**You don't say?**

**Look who's back!**

**And I brought some friends.**

**Let's get 'em, boys!**

**Leave now and avoid a fight!**

**No way. You still owe me some tears, Dacat.**

**Give me one good reason why you're fighting for a cat?**

**You're standing on it!**

**I'm gonna snap those horns right off!**

**Then I'm gonna give them right back to you.**

**You want these horns?  
Here they are!**

**Let's just squeeze  
out those tears now!**

**I heard about you apes.  
Heard you lost everything!**

**I may have lost the shirt  
off my back, but I still  
got the boots on my feet!**

**Why don't  
you slither  
out of that  
robot suit...**

**And fight me  
like a snake!**

**This is bigger than you think, Dacat!**

**Well, I was never much of a thinker!**

**I knew it.**

**Knock it off!**

**Soto!**

**Who called the dogs?**

**This ends right now!**

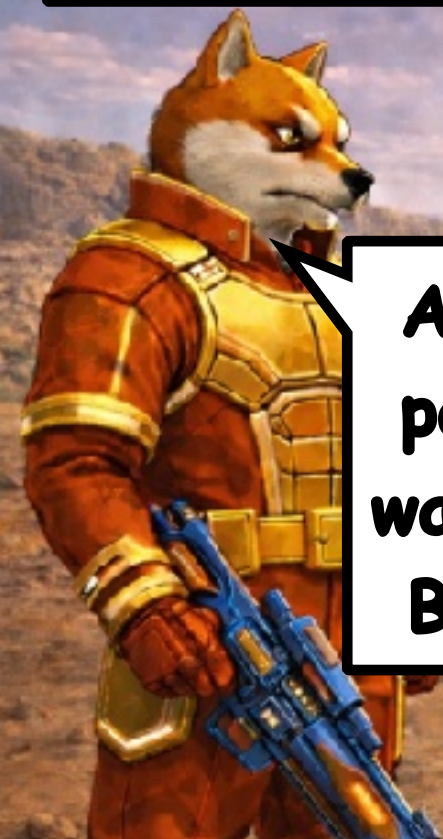

**I said this was a bad idea,  
but no one ever listens to me.**

**Dacat and Bogmire,  
settle this right now!  
It's Dacat's land, but  
Dacat, you have to  
compensate Bogmire  
for his squatter's  
rights and the  
construction he's  
performed here.**

**My compensation had better be considerable.**

**And once  
paid, you  
walk away,  
Bogmire.**

**I gave the squids all that I had saved up.**

**What about the ship?**

**That old thing?**

**It was my father's. He first brought me here in it.**

**Sentimental value.  
In that case,  
I'll take it.**

**Deal's done.**

**Don't worry, Dacat.**

**We're gonna take real good care of her.**

**Ain't that right, boys?**

**NOOO!**

**Let it go,  
Dacat.  
It's not  
your ship  
anymore.**

**There's  
those  
tears I  
wanted.**

**Thanks for standing by me.**

**Sorry, I  
can't give  
you a ride  
home  
anymore.**

**Dacat, we are home.**

**Yeah, what would we go home to anyway?  
Dead end jobs? *Girlfriends* who left us?**

**You keep fighting for us, we'll  
keep fighting for you, Dacat!**

**Power's connected.**

**The Cryptosphere doesn't know it yet, but we're gonna change things here.**

**Almost there!**

**Got it, it's in place!**

**Only the beginning, guys.**

**We're so early.**
